

aTyr Pharma to Present at the 2022 Jefferies Healthcare Conference

June 1, 2022

SAN DIEGO, June 01, 2022 (GLOBE NEWSWIRE) -- aTyr Pharma, Inc. (Nasdaq: LIFE), a biotherapeutics company engaged in the discovery and development of innovative medicines from its proprietary tRNA synthetase biology platform, today announced that Sanjay S. Shukla, M.D., M.S., President and Chief Executive Officer, will present a corporate overview at the 2022 Jefferies Healthcare Conference, which is scheduled to take place June 8 – 10, 2022, in New York, NY.

Dr. Shukla will present on Wednesday, June 8, 2022, at 10:00am EDT.

In addition to the presentation, company management will be available to participate in one-on-one meetings with investors who are registered attendees of the conference. A webcast of the event will be available on the Investor's section of the company's website at www.atyrpharma.com. Following the event, a replay of the presentation will be available on the aTyr website for at least 30 days.

About aTyr

aTyr is a biotherapeutics company engaged in the discovery and development of innovative medicines from its proprietary tRNA synthetase biology platform. aTyr's research and development efforts are concentrated on a newly discovered area of biology, the extracellular functionality and signaling pathways of tRNA synthetases. aTyr has built a global intellectual property estate directed to a potential pipeline of protein compositions derived from 20 tRNA synthetase genes and their extracellular targets. aTyr's primary focus is efzofitmod, a clinical-stage product candidate which binds to the neuropilin-2 receptor and is designed to downregulate immune engagement in fibrotic lung disease.
